## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Town of Bowers  
3231 Main Street  
Frederica, Delaware

We have performed the procedures enumerated below, which were agreed to by Town of Bowers and the State of Delaware's Office of the Auditor of Accounts, Department of Homeland Security, and the Office of the State Treasurer, solely to assist you with respect to determining the Town's compliance with Delaware's applicable laws, regulations, financial reporting and the effectiveness of the internal control structure related to the municipal grant funds received for the year ended June 30, 2005 on Page 3. The Town of Bowers' Management is responsible for compliance with those requirements. This agreed-upon procedures engagement was performed in accordance with *Government Auditing Standards* (2003) issued by the Comptroller General of the United States and the attestation standards established by the American Institute of Certified Public Accountants that have been incorporated by *Government Auditing Standards* (2003). The sufficiency of these procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Document understanding of cash disbursement internal control structure over municipal street aid grant funds from discussion with management and report internal control weaknesses.

**FINDING NO. 05-1** - During completion of the Town of Bowers' program checklist for the municipal street aid grant, it was noted that their cash internal control structure over municipal street aid has no segregation of duties due to the lack of personnel. The Treasurer controls all the cash functions for the Town, which is a reportable internal control weakness that does not properly maintain and safeguard municipal street aid funds. Segregation of duties reduces the risk that one person could perpetrate and/or conceal errors in the normal course of his/her duties.

**RECOMMENDATION** - The Town should segregate duties related to cash among the Town's board members so that additional controls over the Town's municipal grants can be established.

### **TOWN'S PLAN FOR CORRECTIVE ACTION:**

*"The Town concurs with the finding. The Town's Treasurer is going to discuss the finding at the Town Hall meeting to get some suggestions for change of the cash functions for the MSA Funds account."*

2. Complete the State of Delaware Auditor of Accounts municipal grants agreed-upon procedure program to determine the Town's compliance with applicable laws, regulations and financial reports related to municipal grant funds received during the year ended June 30, 2005. Detail any instances of noncompliance.

Our procedures disclosed no instances of noncompliance that resulted in findings and recommendations.

3. Note all situations or transactions that could be indicative of fraud, illegal acts, material errors, defalcations, irregularities or gross violations of the grant agreements and abuse or misuse of State funds.

During completion of the program checklist, no fraud, illegal acts, gross violations of provisions of contracts or grant agreements and no abuse or misuse of state funds were noted.

4. Prepare the Town's Schedule of Municipal Grants received during the year ended June 30, 2005.

See Page 3.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on the Town's compliance with Delaware's laws and regulations, financial reporting and the effectiveness of the internal control structure related to municipal grant funds. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information of the Town of Bowers' Management and Council Members, Department of Homeland Security, Office of the State Treasurer and Office of Auditor of Accounts, and is not intended to be and should not be used by anyone other than those specified parties. However, under 29 Del. C. §10002(d), this report is a public record and its distribution is not limited.
